

# The Diabolics

Timeless Music, Modern Twist

The Diabolics are a roots rock band from Boulder, CO. The four-piece group is pouring up a shot of blues soaked outlaw rock.

They've combined their love of golden age rockabilly, delta blues culture and iconic classic rock for a blended style that offers an innovative twist on the quintessential sounds of American music.

## Our Story

Inspired by the great contributions of 20th century American music including classic rock & roll, delta blues and outlaw country, The Diabolics are able to stay true to the vintage nature of these genres while simultaneously ushering them into the 21st century with modern musical stylings.

The Diabolics vocal trio delivers raw melodies and captivating guitar riffs, along with earthshaking drums and bass to accompany their lyrics which reflect on morality and the human condition.
